Boston, MA 02210

Furen International School  
345 Old Nelson Road  
Singapore 758692

For the Attention of the School Director and Members of the Board,

The International University Alliance (IUA) is a network of premier American research universities, managed by a nonprofit organization, working together to connect international colleges, schools, scholars, NGOs and governments to advance a shared commitment to internationalization, cross-cultural exchange, student achievement and global citizenship.

Furen International School has been appointed a Global Education Partner of the IUA. As part of this relationship, upon commencement of their high school program all students will be invited to submit basic qualifying documents and awarded Qualification Letters from their selected IUA member universities. Upon receipt of a formal application, which can be submitted up to a year in advance, the Qualification Letter will be converted to a formal conditional letter of acceptance based on internal school results or unconditional letter of acceptance when a student has met all relevant requirements for their program. Final A/AS Level or O Level/iGCSE certificates should be provided before enrollment as required by the relevant university and program, and credit exemptions will be considered at the discretion of the IUA member university.

International University Alliance universities taking part in this partnership are as follows:

1. Adelphi University
2. American University
3. Auburn University
4. Florida International University
5. Louisiana State University
6. University of Central Florida
7. University of Illinois at Chicago
8. University of Kansas
9. University of South Carolina
10. University of the Pacific
11. University of Utah (from Fall 2018)
12. University of Dayton (from Fall 2018)
13. Bath Spa University (UK)

We look forward to a fruitful and lasting partnership with Furen International School.

Sincerely,

Tim Carnley  
Partnerships Director, Asia
