3 June 2013

Dear Principal

This letter is to confirm that Bond University will accept suitably qualified students from the FIS Institute for enrolment in our undergraduate degree programs. To qualify for entry, students will be required to have suitable results in GCE Advanced Level examinations as shown on the table below.

A minimum of two and a maximum of three (the best three) A level grades are used for entry.

A maximum of two AS level subjects may be combined to substitute for one A Level subject.

Faculty of Law requires a minimum total of 10 points.

All other Faculties and the Institute of Sustainable Development and Architecture require a minimum total of 5 points.

Points system:

A level subjects: A=5, B=4, C=3, D=2, E=1

AS level subjects: A=2.5, B=2, C=1.5, D=1, E=0.5

The grade requirements are reviewed from year to year and the requirements displayed are those applying for 2013 admissions. The University can also provide a Conditional Offer of Place, based on FIS preliminary results.

In addition, students must provide formal documentary evidence of English language proficiency which can be found via the following link www.bond.edu.au/english-requirements.

For further information and requirements for international students, please contact International Regional Manager, Regina Milanese at rmilanese@bond.edu.au or contact Regina directly on +61 7 5595 3572.

Kind regards

Duane Kelaart
