

## Letter of Confirmation

FIS Institute

Singapore

To whom it may concern,

This letter is to confirm that LaSalle College International agrees to grant conditional acceptance to the graduates of FIS Institute in Singapore wishing to join our diploma courses with the school final examination transcript.

The graduates of A level and O level exams are allowed to register into our Diploma Courses with copy of their birth certificate and final examination transcript only, and join the first semester of study in LaSalle College International. The students applying to this special program need to submit their high school diploma before they complete their first session or before entering their second semester.

Notwithstanding, all students need to take our English Learning test prior to the start date of their study program and complete all admission requirements.

We hope that this letter can be useful for your business purposes.

Thank you for your kind attention.

Best regards,

Veronica Cartagena
