Dear Principal,

I am pleased to confirm that Oxford Brookes University is happy to accept suitably qualified students from the FIS institute, Singapore for entry to our Undergraduate degree courses.

To qualify for entry, students will need to have:

- Met the GCE A-Level entry requirements (and any further requirements, subject to the course they are applying for*.)
- Submitted a UCAS application form, by the 30th June 2014, with an appropriate personal statement and good academic references from tutors.
- Provided evidence of English language proficiency. For most programmes this will be an IELTS score of 6.0 overall, with a minimum of 6.0 in each skill or, GCSE/O-Level English grade C.

*A full list of our Undergraduate degree courses and entry requirements can be found on our website at:

<http://www.brookes.ac.uk/studying-at-brookes/courses/undergraduate/september-2014-entry/>

I have also included with this letter our 2014 Undergraduate prospectus for reference.

We can provide conditional offer letters based on the FIS final term examinations held in September, once we have received the UCAS application forms, for entry to our Undergraduate degree courses in September 2014.

If you have any queries regarding courses and entry requirements for any of our Undergraduate degree courses then please feel free to contact me at: mokeeffe@brookes.ac.uk

I forward to hearing from you again and working together in the future.

Yours sincerely,

Mark O'Keeffe
