To Whom it May Concern:

The University of Alberta is a Top 100 Global university located in Edmonton, Alberta, Canada. Students can choose from over 200 undergraduate programs and 500+ postgraduate programs. Canada offers attractive perks for international students, including work opportunities both during and after graduation. Edmonton is the capital of the province of Alberta, with a very diverse and multicultural population and many attractions and events for students. UAlberta is a leading research institution; students from all over the world apply to our programs in many areas including engineering, science, business, and arts.

This letter is to confirm that students from Furen International School (FIS) who are currently undertaking A-levels and make an application for admission, can receive a conditional offer of admission when presenting the following: the required subjects and competitive average for a program, including O and/or AS level final results, or A2 predicted grades issued after March 1, and meet the English Language Proficiency requirements as outlined on the website. A student's offer letter will specify the necessary steps to retain an admission offer.

We welcome qualified applicants from FIS. Please do not hesitate to contact me if you have further questions.
Regards,

Katherine Melnyk
