Founded in 1971, Shue Yan is the first and only accredited private university in Hong Kong. The University currently offers 12 undergraduate and 6 postgraduate programmes with a total student population of about 5,000. Shue Yan's programmes offer students a well-rounded educational experience that produces graduates who are:

- Articulate, open-minded critical thinkers with a passion for lifelong learning and self-improvement;
- Committed to appropriate ethical behaviour, based on a strong sense of social responsibility;
- Well prepared to apply their specialist knowledge, skills and creativity in their chosen field of employment; and
- Ready to apply their global outlook and understanding of Chinese cultural values to support the harmonious development of Hong Kong and China in the 21st century.

The University accepts GCE 'A' Level and "AS" Level qualifications for admission purpose to our undergraduate programmes. Subject to successful interview (face-to-face or via skype) and written test, where applicable, the University may provide:

- Unconditional offer for direct admission to our undergraduate programmes based on GCE 'A' Level results already released in Singapore; or
- (ii) Conditional offer based on FIS Graduation examination results and predicted GCE 'A' Level results (if application is made prior to the release of the GCE 'A' Level) in Singapore.

We look forward to receiving applications from suitable candidates from FIS.

With best wishes,
