Greetings from Montana State University! This letter provides an invitation for Furen International School (FIS) students to apply to Montana State University's undergraduate programs.

Students must have a cumulative grade point average of at least 2.5 on a 4.0 U.S. scale or the equivalent, and demonstrate proof of English proficiency through one of the following options:

- TOEFL iBT score of at least 71
- IELTS score of at least 6.0.
- PTE Academic score of at least 48
- iTEP score of at least 3.7
- SAT writing score of at least 25+
- ACT English score of at least 20+

More information can be obtained at: <http://www.montana.edu/international/admissions/appinstructions.html>

As soon as students receive their official O and A Level examination results, they will need to have their official results sent to Montana State University. Students who take A Level examinations will have their results evaluated for possible transfer credits contingent upon their scores.

All required documents, along with a completed international undergraduate application, must be submitted by the following deadlines:

- Fall semester: July 1
- Spring semester: November 15
- Summer semester: March 15

Upon successful completion of the above requirements, applicants will be eligible for admission to Montana State University.
