Dear Principal of FIS,

The University of Arizona is pleased to consider FIS students for admissions. FIS A Level students will be considered for admissions into a Bachelor's degree program at the University of Arizona in Tucson Arizona, based on their 10<sup>th</sup> & 11<sup>th</sup> results and their A level preliminary results in the final year. Students who are offered admissions with preliminary results will need to submit their official GCE A level qualifications when they are released by Cambridge.

To be considered for admission to the University of Arizona, FIS GCE O level applicants must have a "B" average or higher. Students who fall below this standard for admissions may still be considered.

Students with a grade of "A" on the GCE O Level English language exam will be considered for a waiver of the TOEFL/IELTS requirement. Students who are not granted a waiver must provide a sufficient IELTS or TOEFL score. Go to <http://admissions.arizona.edu/how-to-apply/international/english-proficiency> to view a list of ways to achieve English proficiency for admissions.

Regards,

Sergio A. Ayala  
Interim Director, Office of International Admissions  
University of Arizona
