Mr David Mok
Furen International School
345 Old Nelson Road
Singapore 758692

Dear Mr Mok,

Goldsmiths, University of London is happy to accept suitably qualified applications from students of Furen International School for our undergraduate programmes.

Our standard offer for most undergraduate degree programmes is BBB in three subjects at A Level (please see our webpages for any exceptions), applicants who are predicted these grades based on school internal exams and assessments and who meet any additional requirements, will be offered a place conditional on achieving these grades. Once evidence of the achieved grades has been received the place will be confirmed and will become unconditional. Additional requirements may include English Language qualifications, submission of a suitable portfolio or an interview.

We may also be able to offer a place to applicants who are predicted to achieve just short of these grades if other aspects of their application are strong, any offer made to such an applicant will be an aspirational offer at the standard BBB level. Any applicants who do not meet the conditions of their offer will be considered on a case by case basis and may still be accepted if the rest of their application is very strong.

Further information about our programmes including any additional or non-academic requirements such as portfolios, work experience and interviews can be found on the Goldsmiths web pages www.gold.ac.uk.

Please do not hesitate to contact me if you have any further enquiries.

Yours sincerely

Jennifer Geary
Deputy Head of Admissions
