Mr. David Mok
Furen International School
345 Old Nelson Road
Singapore 758692

Bayreuth, 18.09.2017

Confirmation

Dear Mr. Mok,

We can confirm that, based on the information provided in the database of foreign secondary school qualifications ("ANABIN"), students with GCE A Level results and CIE A Level Results can be granted direct subject-specific admission to the University of Bayreuth. This means that the study programme they can be admitted to depends on the subjects and courses they have taken in their A levels.

Yours sincerely,

Dr. Arnim Heinemann
Director, International Office
