Dear Mr David Mok,

Thank you for your interest in referring FIS students to study at University of Sussex.

You can find our 2018 list of undergraduate programmes and entry requirements at <http://www.sussex.ac.uk/study/undergraduate>. Kindly take note that all applications must be submitted through UCAS.

The University of Sussex would consider issuing a conditional offer letter based on the school's internal result. This will be subject to meeting our standard GCE 'A' Level qualification. A final confirmation of place will be based on receiving the official GCE 'A' Level result.

Thank you and we look forward to receiving applications from suitable candidates from FIS institution.

Yours sincerely,

Siobhan Marshall
Senior International Officer
