Acceptance of predictive grades

Dear Principal of Furen International School,

The University of Glasgow is pleased to confirm that we are able to accept A-level predictive grades from Furen International School. Students whose predictive grades meet our entry requirement will be issued a conditional offer letter until we received the final grades. Please do note that certain programmes may require additional mandatory requirements and entry requirement differ from one programme to another.

Full undergraduate programme requirements can be viewed in the link below:

<https://www.gla.ac.uk/undergraduate/degrees/>

Should there be any questions, please do not hesitate to contact the University for more information.

Thank you.

Best regards,

Ms. Sophia Lee
Regional Manager (South East Asia)
